

# Codette Quantum Session Packet

Date: 2025-05-05 12:24:47

## Cover Letter

Citizen Quantum AI Breakthrough - Living Room Codette Meta-Experiments [Transparency + Artifact Packet]

Dear OpenAI Team,

I am Jonathan Harrison, writing to share my citizen science research leveraging Codette AI in a Fedora-based personal lab. Please find enclosed the full project bundle, including simulation scripts, analysis modules, and transformation tools.

Sincerely,

Jonathan Harrison

## Project Recap

Project Bundle for Jonathan Harrison:

- quantum\_cosmic\_multicore.py
- codette\_quantum\_multicore2.py
- codette\_meta\_3d.py
- codette\_pdf\_export.py
- cognition\_cocooner.py
- OpenAI function manifests (codette\_function\_execution, cognition\_cocooner)
